17.09.2026 — 15.11.2026

Presented by THE CURATED Lisbon
in collaboration with THE VINTAGE HOTEL

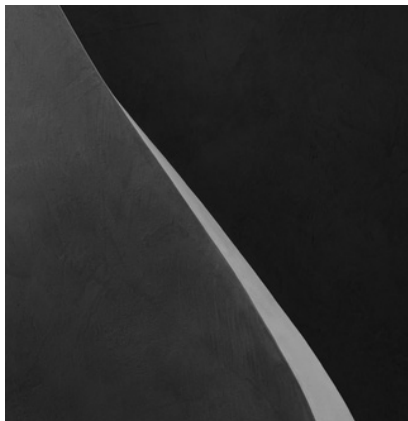

Featuring works by

**João Guimarães · Martinho Pita · Studio Ėeme ·
MELBU · Inês Valenti · Sofia Águas ·
Pareidólia Design · Daisy Eltenton**

Curated by Irina Gordienko

The Curated Selection is an evolving presentation of contemporary art, photography, collectible design and distinctive objects, conceived specifically for the interiors of The Vintage Hotel Lisbon.

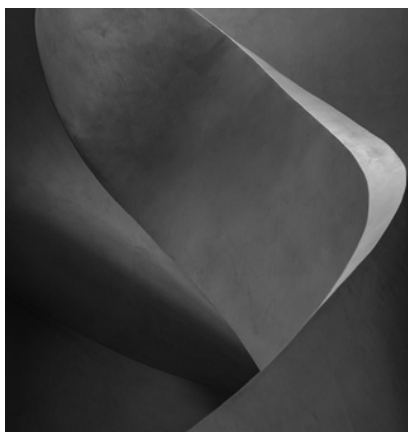

Edition 02 brings together architectural photography, sculptural lighting and ceramics. Moving between image, object and interior, the selection explores how different creative practices can inhabit and quietly transform a shared space. Rather than following a traditional display format, the works unfold throughout the hotel. Together they create a temporary interior landscape and a considered view of contemporary Portuguese creativity..
